

## 2016 Annual Conference Distinguished Service Award Submissions

*Please consider nominating a fellow WASSArian for WASSA's Distinguished Service Award!*

### Qualifications:

The distinguished Service Award is WASSA's highest honor and presented to individuals active in WASSA who have:

1. Provided leadership in Summer Session administration and organization, and encouraged high academic standards;
2. Demonstrated responsiveness to students in academic programming, to faculty in encouraging creativity and nurturing positive relationships, and to staff in promoting optimum working conditions and opportunities for professional development;
3. Contributed meaningfully to WASSA's growth and development through active participation and leadership; and,
4. Contributed measurably to their institution's recognition of Summer Session as an integral part of the university by offering high quality, financially successful summer programs.

The person who receives WASSA's Distinguished Service Award is widely recognized by a willingness to share information with colleagues in Summer Session administration and other professionals in higher education. This individual is considered a role model, setting stands to which other Summer Session Directors can aspire, and exemplifies the spirit of collegiality for which WASSA is known.
